 ILS ONT LIBÉRÉ NOTRE VILLAGE...

THEY LIBERATED OUR VILLAGE...

« Il y avait des maisons qui brûlaient, jusqu'à  
notre brave clocher qui était transpercé  
de plusieurs trous mais restait debout et fier,  
malgré la terrible tornade qu'il venait de subir »

"Houses were burning, even our good old  
church spire which had been hit several  
times by shells but remained standing and  
proud despite the terrible mauling it had  
experienced."
